

## Frequently Asked Questions (FAQ)

- Q: What wallets can I use?

A: You can use MetaMask, Coinbase Wallet, or any wallet that supports Base Network.

- Q: What is the official contract address?

A: The verified contract address is 0x6c40A8ed68990a60BcEE2efb3793a16FBb287605. Always verify on BaseScan before purchase.

- Q: Is there a transaction fee?

A: Only the Base Network gas fee — no additional project fees.

- Q: Can I stake LSEA?

A: Future utilities will include staking, governance, and ecosystem access.

- Q: Where can I check my LSEA balance or transaction?

A: You can verify transactions on [BaseScan](#) or directly in your wallet after adding the token.
